MEMORANDUM 32 OF 2015

AMENDED EXAMINATION TIMETABLES – 201511

This memorandum replaces Memoranda 01, 10 and 16 of 2015.

Attached please find the amended examination timetables for TVET programmes for the November 2015 examinations cycle. Inputs provided during the recent examinations conduct support workshops hosted by the Chief Directorate: National Examinations and Assessment were used to inform the changes to the respective timetables.

The amendments affect the timetables for the Report 190/1 Business Studies and Engineering Studies programmes.

The timetable for the NC (V) qualifications remains unchanged, but it should be noted that the computer-based component (Paper 2) of Life Orientation on Levels 2, 3 and 4 is written on more than one day as indicated below.

Life Orientation Paper 2 - November 2015

- Level 2: 23 October 2015 – 27 October 2015
- Level 3: 27 October 2015 – 29 October 2015
- Level 4: 29 October 2015

All centres must conduct the Life Orientation Paper 2 examination on the first day indicated above per level. It is only in instances where centres have large enrolments that cannot be accommodated on the first day that they may conduct the examination on the additional day(s).

Your cooperation in ensuring that all candidates at your centre(s) are duly informed of the final examination timetables for the November 2015 examinations is critical to the successful conduct of the end-of-year examinations at your institution.

All timetable clashes and computer-based subjects requiring more than one examination session must be dealt with in accordance of *Memorandum 33 of 2015 – Deviation from starting times*.

Kind regards
